OAR Actions from 6-1-2016 thru 6-1-2017.docx

Hi William and Charles,

I have attached the document that has a list of OAR actions signed since 6/1/2016 and a list of OAR actions we expect to sign by 6/1/2017. As you know the dates for actions to be signed can change.

Please let me know if you have any questions and/or need additional information.

Thanks,

Carissa

Carissa – I have to head off to the airport in not so long. If you are able to get those rule lists together, would you please also send them to Charles Starrs from OGC? I've copied him here.

Thanks,

Wm.
